##### ACCOUNT STATUS

Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Thank you for subscribing to Business in a Box

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

#### Attention Louisiana Customers

At your request, AT&T can place a "freeze" on your preferred carrier selections for local, local toll service or long distance service. A preferred carrier freeze can help protect your account from inadvertent or unauthorized changes to your carrier selections. If you place a preferred carrier freeze on your account, no one will be able to make a change in your carrier selection until you lift the freeze. There is no charge for this service.

If you receive a service pursuant to a signed contract or other term agreement with AT&T and it is currently in effect, its terms will govern the provision of your AT&T service.

AT&T's standard contract for detariffed services not covered by a signed contract or term agreement, including expired contracts or term plans that are not renewed, can be found at <http://www.att.com/business/agreement>. Important limits of liability apply, including: AT&T is not liable for indirect or consequential damages (such as your lost profits or other economic loss), and direct damages during any 12 months cannot exceed one month of your payments for affected service.

Additional terms, conditions, charges, penalties, and price change information for all detariffed business services can be viewed at <http://www.att.com/serviceguide/business>. If you do not have access to the Internet, please contact your AT&T Sales Representative or Customer Care Center for information.

Federal regulation requires AT&T to inform our valued customers that basic local services will not be disconnected for the non-payment of non-regulated service charges. To avoid collection activity, please remember to pay all charges by the due date.

From time to time, AT&T may change the names of services, Service Capabilities, or Service Components, or other terminology. The old terminology may remain in use for some time after such changes (such as in contract documents and billing records). For example, your customer bill and other customer documents may refer to Private Lines Service (PLS) as Accunet, and may refer to DS0 service as Accunet Spectrum of Digital Services (ASDS) or Single Channel Service. Should you have any questions about the service name appearing on your bill, please refer to the 'Table of Changed Terminology' located in the AT&T Service Guides and applicable state tariffs.

#### Attention Valued AT&T Customers:

#### Attention Customers:

If you do not pay your bill by the date it is due, AT&T may assess a late payment charge. The rate shall be 1.5% per month (18% annually) unless an applicable law or regulation specifies a lower rate to be charged, and then that lower rate shall apply. Alternatively, a minimum late payment charge of \$5.00 may be assessed if permitted by applicable law or regulation. In Maine, the monthly rate for 2017 is 0.99%. In Massachusetts, the monthly rate for 2017 is 0.83%, effective 2/1/2017.
